Education

- 2015.09–2020.06 Shandong University, Doctor of Engineering, Computer Science and Technology
- 2012.09–2015.06 Shandong Normal University, Master of Engineering, Computer Applied Technology

Research Achievements

Research Projects

Principal Investigator

- Shandong Provincial Natural Science Foundation (Youth Program, No.ZR2021QF119): Research on Micro-video Analysis under Weak Semantics and Incomplete Data, 2022.01-2024.12
- Open Project of Key Laboratory of Ministry of Education (No.2023ZD030): Fine-grained Representation and Uncertainty Modeling Based Multi-modal Short Video Scene Classification, 2024.01-2025.12
- Doctoral Startup Fund of Shandong Jianzhu University (No.X21050Z): Multi-modal Fusion Based Micro-video Understanding under Weak Semantics, 2021.01-2023.12
